

รายชื่อผู้นำเสนองาน Best Paper Contest (English Version)

งานประชุมวิชาการประจำปี “29th Operative Spine Course 2025” ในวันที่ 23 มกราคม พ.ศ.2568

ลำดับ	10.30 - 12.00	Name of Institution	Title
1	10.30 - 10.35	Konthorn Chankong, MD	Efficacy and safety of preemptive intravenous dexamethasone in MIS-TLIF : double blinded, randomized control trial
2	10.35 - 10.40	Natcha Chutchomchuen, MD	Comparison of topical Methylprednisolone 40 vs 80 mg on postoperative dysphagia after multilevel ACDF : a randomized, double-blinded, controlled trial
3	10.40 - 10.45	Kullaphas Srisuk, MD	Poor Drug Adherence Negatively Impacted Osteoporosis vertebral fracture during COVID-19 Era: A Real-world Practice Study
4	10.45 - 10.50	Peem Sarasombath, MD	Precision in Cervical Spine Surgery: A Systematic Review and Network Meta-Analysis of Navigated Guides for Safe and Effective Pedicle Screw Fixation
10.50 - 10.55		Q&A	
5	10.55 - 11.00	Mahisaun Tong-in, MD	Postoperative Kinetics of C-Reactive Protein, Erythrocyte Sedimentation Rate and Creatine Kinase Total in Percutaneous Endoscopic Lumbar Discectomy
6	11.00 - 11.05	Narat Virojanawat, MD	Indirect decompression Lateral lumbar interbody fusion risk score (ID-LLIF risk score system) to predict successful indirect decompression in lateral lumbar inter body fusion
7	11.05 - 11.10	Warunyu Limmaneevichitr, MD	Predicting in hospital mortality risk for spinal metastasis surgery : the PPMs scoring system
8	11.10 - 11.15	Suttinont Surapuchong, MD	Predicting Postoperative Coronal Trunk Shift in Adolescent Idiopathic Scoliosis Surgery Using Intraoperative Crossbar Measurement Technique
11.15 - 11.20		Q&A	
9	11.20 - 11.25	Ho-Jin Lee, MD	Biportal endoscopic decompression for degenerative lumbar spondylolisthesis with stenosis
10	11.25 - 11.30	Yong Min Kim, MD	Restoration of Spinal Motion in Thoracolumbar Fractures Managed by Nonfusion Technique
11	11.30 - 11.35	Yong Min Kim, MD	Posterior Only Method for Pyogenic Spondylitis - PLIF using transpedicular screws and Prolonged Suction Drainage -
12	11.35 - 11.40	Sang Bum Kim, MD	Learning Curve and Clinical Outcome of Biportal Endoscopic Transforaminal Lumbar Interbody Fusion
13	11.40 - 11.45	Jin Hwan Kim , MD	Clinical outcomes of Anterior Corpectomy and fusion with insertion of Titanium Mesh Cage for treatment of Pyogenic spondylitis
14	11.45 - 11.50	Jae Jun Yang, MD	Reoperation Rates According to Surgical Approach After Operation for Degenerative Cervical Pathology in Patients With Athetoid Cerebral Palsy: A Nationwide Cohort Study
11.50 - 11.55		Q&A
